BMF Stress free Breakfast and Lunch Options

Response required

administrator@bathurst6hour.com.au

The Bathurst Motor Festival will have limited catering options. The Pit Complex Café that will be operating will be open to everyone (including the public) and thus lengthy queues can be expected at peak times. As such, a proposition is to initiate a '6 Hr Team's Cafe' at next year's Event. We can only proceed with this initiative if we get a sufficiently strong response (commitment to utilise) from team's in advance of the Event. As such we are requesting a response from all who have entered on whether you and your team would utilise this service.

Key points are:

1. Suites 1 to 6 would be reserved for the 6 Hour Team's Café, with access for strictly 6 Hour team accredited members only (no public and no team guests/family etc).
2. The Café would set the suite up with tables and chairs and able to be used by Teams for meetings anytime during the day, however there would be a window for food service (not all day).
3. Breakfast fixed at \$12 including a drink and lunch at \$15 including a drink (draft menu on page 2) commencing from Thursday to Sunday inclusive.
4. All meals would need to be ordered in advance and pre paid - no cash bar/offering etc. Vouchers would be provided to teams to produce in the Café with no monies changing hands.
5. Meals will be pre-cooked and served directly from a Bain Marie thus ensuing a quick service.

All teams are asked to respond by 30 Nov 2015 of your likelihood of utilising and approximate break up of numbers per day.

Feedback on the Menu, however at the price point offered, there is limited flexibility. Once we get this info back, we can discuss with the Caterer and determine viability.

This initiative will only proceed if we get sufficient uptake to be viable for the Caterer.
