- Class A2 - Extreme Performance Naturally Aspirated
- Class B1 - High Performance Forced Induction
- Class B2 - High Performance Naturally Aspirated
- Class C - Performance
- Class D - Production
- Class E - Compact
- Class I - Invitational

## In Car Cameras

The in car camera hire cost is \$550 – incl GST, for television footage, to be shown in the highlights package.

In Car Camera allocation will be done when entries close in consultation with the promoter.

You will be emailed with the ICC protocol if successful and an invoice will be sent to you for the camera.

## Hospitality Suites

Hospitality suites are available to be hired for \$550 (incl gst). These will contain two large tables, sixteen chairs and a television connected to CCTV (Sunday only).

The official Caterer has the exclusive rights to cater in the suites and thus Team's are prohibited from self-catering.

Should a Team order corporate catering from the official Caterer, the Caterer will supply a refrigerator. (official suppliers list has been emailed out. If you have lost let me know and I will email another)

**All Drivers to be nominated and full details supplied.**

**Transport and communications forms required by 9<sup>th</sup> March, 2018**

## Fuel

The exclusive fuel supplier for the event is Race Fuels. The fuel that will be supplied is BP Unleaded 98 and E85.

Fuel will only be dispensed in 205 litre sealed drums. The final fuel price will be advised prior to the Event and displayed at the bowser.

Competitors must use the appropriate gear to transfer the fuel into their overhead refuelling rigs including hand pumps, tagged and functional extinguishers and appropriate refuelling apparel. Fuel order form is supplied with the supplementary regulations. Make sure it's filled out and returned to Race Fuels directly.

## Tyres

All competitors will compete on Hankook Tyres, with all tyres to be purchased exclusively through Hankook Tyre Australia's official tyre supplier – Gary's Motorsport Tyres.

Email: [garydunlop@ozemail.com.au](mailto:garydunlop@ozemail.com.au)

Phone: +61 (2) 9676 8655

Fax +61 (2) 9676 5300

Mobile +61 (0) 418 968 613

All automobiles will be permitted a maximum of twenty four (24) Hankook Ventus TD (Z221) all weather tyres, for the duration of the Event (includes all on-track sessions). All tyres will be marked and must be purchased new and exclusively for the Event.

The Tyre order form was emailed and is available for download from the website.

## Licence Requirements

All Australian drivers must hold a minimum of CAMS National Circuit (NC) licence.

Any drivers holding a CAMS Clubman Circuit (CC) must upgrade to an NC licence or pay for a single event NC Licence. NO Provisional Circuit (PC or PCC) licence holders will be eligible to compete. Please make sure you have the necessary upgrades done prior to coming to the event. No drivers under 16 years of age are eligible to compete.

## B Double Route

There is a specific double b road access route to Mount Panorama. If you require the route map for your transporter let me know and I will email it you. This information can also be found on the RMS website.

## Teams Catering

As teams last year used the 'deliver' service for breakfast and lunch there will be no dedicated 'Teams Café' this year.

Team's can still utilise the 'Public Cafe' in Suites 7 to 13 if required.

Piper Catering is doing a 'Delivery Service' again this year. Pre-order your team's breakfast and lunches and pick up. Teams pre-order pick up door located at pit suite 13.

Breakfast 7am to 8am, lunch 12md to 1.30pm.

Menu, prices and order form will be emailed out to the competitor and team manager as a .pdf, last page being fillable for orders.
