Name on card: <input type="text"/>	AMEX <input type="checkbox"/>

FUEL SUPPLY TERMS & CONDITIONS

2025 Bathurst 6 Hour - Control Fuel Supply

CONTROL FUEL - 98RON

RaceFuels will supply your Team with the volume of fuel required. There is no need to order your volume in advance. You will only be charged for the fuel that you receive.

In order to receive Event fuel supply, each Team will be required to submit the Fuel Registration form or validate a fuel account directly with RaceFuels.

Teams do not have to purchase a full 200 litre drum at every transaction. Part drums of 100 litres may be ordered

All fuel must be signed for by an authorised Team member.

PAYMENT TERMS

The Team Principal is responsible for the full payment of fuel used by the Team during the Event.

Credit card details lodged on the fuel registration form will be used to obtain full payment within 14 days post-event.

Once a Team member has removed the cap seal of a drum, the Team has purchased the contents of the drum.

It is the Team's responsibility to ensure that all crew members understand to not remove the cap seal until the fuel is required.

FUEL RETURNS

RaceFuels will credit back in full for returned sealed 200 litre drums.

Due to quality concerns, RaceFuels can not simply credit or refund unwanted fuel post-event. Fuel remaining in open drums (without cap seal) can be sold back to RaceFuels at the following rates: **98RON at \$1.75 per litre**

RaceFuels will provide an exchange receipt for returned fuel. This receipt confirms the transaction.

NO RECEIPT = NO EXCHANGE

RaceFuels must be notified before 7pm on Sunday night if a fuel collection is required.

IMPORTANT

Any fuel left unattended post event without an exchange receipt is surrendered back to RaceFuels with no refund or credits for the Team.

Clean up charges may apply to Teams who leave fuel or waste product behind.
